Description of the Up0 line Extender

Range:	Its operation has been verified on a single pair AWG22 cable / phi = 0,643mm/ in industrial environment, loop resistance approx. 1200 ohm.
Number of ports:	1
Line type:	Up0 Siemens (Other systems under development)
Line input sockets:	RJ-12
Supply:	Dedicated power supply 48 V DC or telephone line
Status indication:	3 diods LED
Dimension (width. X height. x depth):	73 x 26 x 94 mm.
